PROFESSIONAL SUMMARY

Highly skilled and versatile professional with background in Mathematical Sciences with a focus on Mathematics and Statistics. Seeking challenging opportunities to utilize my expertise in driving data-driven decision-making, mathematical modeling and innovative solutions within mathematical sciences context. Committed to applying technological solutions to improve efficiency, productivity and overall performance in diverse industries.

EDUCATIONAL BACKGROUND

- A Qualification:** Degree in Mathematical Sciences Education (Mathematics and Statistics)
Institution: Malawi University of Business and Applied Sciences (MUBAS)
Years: January 2020 – December 2024
- B Qualification:** Malawi School Certificate of Education (MSCE)
Institution: Phalombe Secondary School
Years: 2015 – 2019
-

WORK EXPERIENCE

- A Institution:** R and C Stat Consulting (Dr J.L. Mbotwa Firm)
Position: Academic Intern
Period: February 2025 – May 2025
Duties:
 - i. Administering examinations at MUBAS
 - ii. Marking examinations
 - iii. Invigilating in an examination room
- A Institution:** Zaithwa Private Secondary School
Position: Physics and Computer Studies Teacher
Period: February 2025 – Present
Duties:
 - i. Teaching assigned subjects
 - ii. Forming and marking students' assessments
 - iii. Preparing lesson plans
 - iv. Evaluating examination papers
-

SKILLS

Technical Skills

- Proficient in mathematical modelling and data analysis
- Strong mathematical background
- Proficient in R, SPSS, and Excel
- Strong statistical analysis and interpretation
- Basic Computer Programming skills

Soft Skills

- Emotional Intelligent
- Attention to details
- Possess problem solving techniques and analytical skills
- Excellent communication and interpersonal skills
- Time management skills
- Self-oriented and self-disciplined
- Good at doing researches
